## Function4 Chosen as a 2021 ENX Magazine Elite Dealer

Toluca Lake, CA—*ENX Magazine* announced that Function4 was among the 120 companies chosen this year as a 2021 Elite Dealer. This is the 6<sup>th</sup> time that Function4 has been chosen among the nation's top office technology dealerships.

At Function4, we focus on service offerings that can grow along with technology and our industry to ensure we always meet the needs of our customers. We do that by providing the most intuitive and comprehensive combination of strategy, equipment, and maintenance available in today's market. Before we enter a customer contract, we analyze your entire document system setup, test for efficiency gaps, and formulate a strategy for improvement. We offer high-quality products from trusted vendors like Konica Minolta, Sharp, Xerox, and HP so you'll never question your machine's reliability. Combine that with cutting-edge software, managed IT services, and leading industry expertise and you'll see why and how we are your single source for imaging and information technology.

We're proud to be your single source for imaging and information technology, helping you continuously improve document workflows, enhance operational processes, and manage IT infrastructure. In addition to top-notch equipment and technology, we also provide leading office furniture lines and wholesale office supplies to keep your business in great shape from every angle. Whether you need one desktop inkjet, an office full of production systems, new servers, or a fully outfitted conference room, automations or document management systems, our goal of providing impeccable service and expertise always remains steadfast.

*With over 40 years in the industry, a 4.9-star rating on google with over 300 reviews, and the acquisition of multiple companies in the past 2 years, Function4 takes pride in its longevity and growth pattern. Our team has adopted new products, software, and services as the industry evolves.*

*"What makes Function4 successful is our people, our biggest accomplishment is our team members. Team members that believe in our core values, - accountability, trustworthiness, integrity, embracing change, and most importantly teamwork. The seamless combination of of these values drive us to new levels every year. Team members that truly embrace the peace of mind pledge is what makes Function4 Elite." - CEO – Bill Patsouras*

Each year, *ENX Magazine* judges Elite Dealer applicants on a number of criteria, from technical service excellence to marketing proficiency, growth initiatives, technology leadership, industry accolades and philanthropy. Those dealers chosen are profiled in the December issue of *ENX Magazine*.

“We salute this year's cast of Elite Dealers, who continue to demonstrate an unwavering commitment to customer and technical service excellence in the face of unprecedented challenges,” said Susan Neimes, managing editor of *ENX Magazine* and ENX The Week In Imaging. “Each dealer has exhibited unparalleled resilience in continuing to adapt to the evolving needs of their customer base. At the same time, the Elite Dealer is mindful of preserving internal jobs and fomenting a family-based culture, because their people are the face of the organization. This year's list is a testament to teamwork and unity.”

#### **About ENX Magazine**

*ENX Magazine* is a monthly publication dedicated to the office technology and document imaging industry since 1994. Now in its 28th year, *ENX Magazine* continues to deliver exclusive editorial coverage on market opportunities and issues, news and trends, company profiles, new products, and industry insights. With a monthly circulation of more than 25,000 hard copies, *ENX Magazine* serves as a leading integrated resource that brings together industry people, products, and business concepts and strategies for office technology industry professionals.

The magazine also publishes ENX The Week In Imaging, a weekly e-newsletter that provides news, profiles, technology and business updates, along with blogs from some of the industry's most prominent players.
